We are keen to discern conditions which will need to be made public and be presented to SUN readers. Our subscribers will find THE SUN first in the presentation of such. As we gain the AUTHENTIC and RELIABLE INFORMATION we will write up these conditions correctly and in an unbiased manner as soon as we are convinced that IT'S RIGHT to do so.

As soon as you become a new subscriber or when you renew your subscription you are in touch with NEWS which other papers fail to give. Insist on having THE SUN, and know what's going on.
